### HONOR FOR G. D. GILMAN

The Chamber of Commerce  
Appreciates His  
Services.

Gorham D. Gilman, Hawaii's good friend at the Hub of the Universe—Boston—will be honored by the Chamber of Commerce with a testimonial in the form of a laudatory letter, accompanied by some suitable memento of the Islands, in appreciation of his promotion efforts on behalf of Hawaii. For years a resident of Honolulu, and for many, many years, a citizen of Boston, Mr. Gilman has not lost sight of the Islands, and his interest has gone so far that he has kept the progress of the group before the reading public and at great gatherings in the East. The following resolution, presented by President Morgan of the Chamber, was unanimously passed at yesterday's meeting of that body:

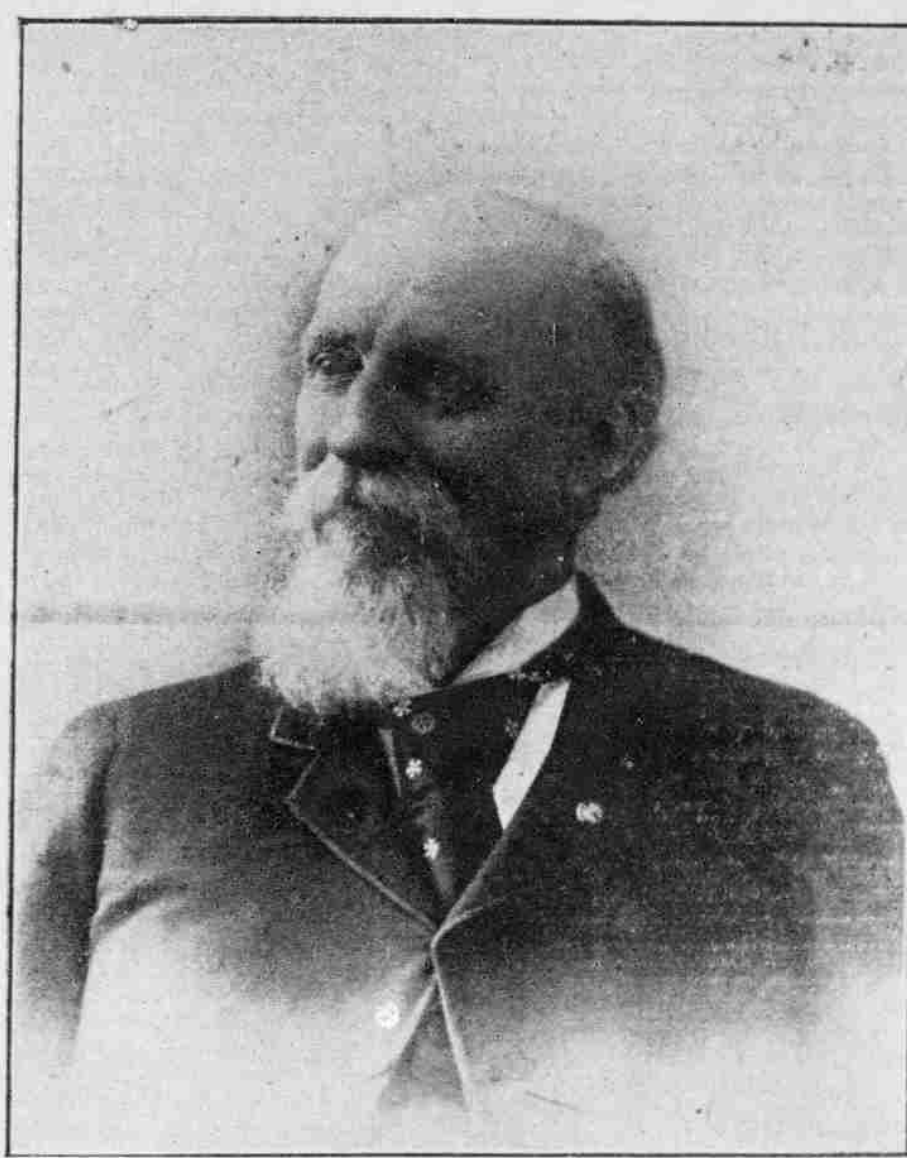

"Whereas, In the person of Mr. Gorham D. Gilman of Boston, Mass., Hawaii has ever found a most consistent friend, one who has done his utmost to advance the best interests of the Territory on the mainland, giving of his time and money freely and without thought of compensation;

"Now, therefore be it Resolved, By the Honolulu Chamber of Commerce that appreciation of this service be acknowledged by the Board of Trustees in the form of some suitable memento accompanied by a written testimonial of the Chamber's appreciation of his services."

In presenting the resolution Mr. Morgan called attention to Mr. Gilman's valuable friendship to the Territory. In talking the matter over with some of Mr. Gilman's friends it was thought that some mark of appreciation should be shown him.

Both W. R. Castle and E. D. Tenney seconded the resolution, the former stating that during three winters' residence in Boston he was thrown in contact with Mr. Gilman often and he had opportunity to observe the manner in which he took occasion to advance Hawaii's interests all the time. He referred especially to his activity for Hawaii at the Mohonk Conference.

Poet—Have you read my last poem?  
Friend—I trust that I have.—Judge.

GORHAM D. GILMAN

of Boston, Hawaii's good friend, whom the Chamber of Commerce would thank.

### RAPID TRANSIT'S FINE ELECTRICAL DISPLAY

One of the most tasteful electrical displays ever attempted in this city has been installed by the Rapid Transit Company on their powerhouse and barns on Alapai and Beretania avenue. By a clever arrangement of many hundred colored incandescent globes, the premises were last night transformed into a fairy scene which at is trial illumination was admired by hundreds of people in the vicinity.

The building has been outlined with lights and festoons of them are strung from the barns along the street and through the trees in the yard surrounding. A tower of light has been built on the high chimney and is lit by alternating rings of different colors and a blaze. The front of the building has been garnished in designs worked out in lights and the letters H. R. T. & L. Co., in different colors. The whole scheme of the decoration has been in charge of Electrician Lee

### ALOHA MARCH COMPOSED FOR FLEET

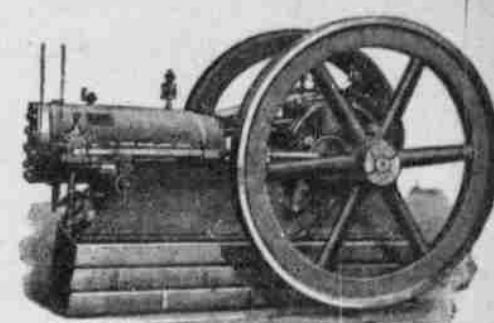

Erich Kahl has composed the "Aloha March," "respectfully dedicated to the United States fleet on occasion of their visit to the Hawaiian Islands, July, 1908." The composition in piano score has been published and is now on sale. Introduced in the march is a Hawaiian song for a trio of voices, both the words and music of which, were it not that they are for a trio, would be in the form of a cadenza. The entire composition is reminiscent of Queen Liliuokalani's "Aloha Oe," and ought to be very pleasing in effect.

Published in sheet-music form, the outside bears a picture of a battleship with a surrounding design of ferns and palms and a crater-fringed coast line. H. Wolf, who received many compliments on his artistic work. The illumination will be continued every evening while the fleet is here.
